## **DESIGN REVIEW PROCESS**

**Administered by:  
Design Review Board**

### **1. Pre-Design Conference**

Before an application for review can be submitted to the Design Review Board (DRB), a pre-design conference must be scheduled with the Downtown Memphis Commission (DMC) staff. This informal review often accelerates the approval process because staff can acquaint applicants with design standards, submittal requirements, and application procedures. Some projects, by the nature of their size and scale, may require more than one review by the DRB (e.g., site plan level review, architectural review, etc.). A pre-design conference will allow staff to communicate directly with the applicant the scope of review his or her particular project warrants. It is critical that the DRB or DMC staff is involved in reviewing projects at the earliest possible time so that the project does not get delayed and so that the board has an appropriate amount of time to fulfill its responsibilities. To schedule a pre-design conference, contact our development offices at (901) 575-0540.

### **2. Submittal of Application**

After the pre-design conference with staff, an application for formal review and all information regarding the project must be submitted to the DMC Staff. A checklist of information necessary for review is included after the list of procedural steps. All applications for review and information must be received by the Development Project Manager no later than two weeks prior to the meeting of the DRB. The DRB generally meets on the first Wednesday of every month.

### **3. DRB Meeting**

At the monthly meeting of the DRB, staff will present all applications that have been received prior to the date outlined above. Applicants or their representative should attend the meeting to answer any questions the DRB may have regarding the application. After reviewing each case, the DRB will vote on the proposal. Any applicant in attendance will immediately know the results of his/her submittal.

### **4. Approved Applications**

Following approval of an application, staff will mail a letter stating the conditions of the approval to the applicant. Staff will also forward a copy of approvals to the City Construction Code Enforcement division. Administrative Approvals may take a minimum of 10 business days for approval.

## **5. Denied Applications**

The DRB is under no obligation to approve every project. A decision may be postponed pending submittal of further information or may be denied. If an application is denied, the DRB will make recommendations to the applicant about changes that could be made to the proposal to warrant approval. These recommendations will be outlined in a letter to the applicant from staff. Changes to the proposal will be reviewed at a future meeting of the DRB.

## **6. Appealing a Denial**

All applicants have the right to appeal a denial of the DRB to the DMC. Such appeals must be made in writing to the Chairman of the DMC within five business days of the date of the meeting at which the application was denied. Applicants may present the appeal at the regular DMC monthly meeting. The DRB chairman and staff would also be present to outline the reasons for the denial.
